

Pneumatic PCB Depanelizer

PCB Cutting Machine, CWVC-200 Features:

- 1.Operator foolproof! Panels cannot be inserted into the knives except on the score line
- 2.Pneumatically driven
- 3.Handles high components up to 70mm
- 4.Separates boards up to 3.5mm thick
- 5.Shears boards safely with parts as close as 0.5mm to the score line,including ceramic capacitors
- 6.Easy adjusting of distance between knives

PCB Cutting Machine, CWVC-200 Specification:

Model	CWVC-200
pneumatic pcb depanelizer machine Cutting Length	200mm
pneumatic pcb depanelizer machine Size	450*200*460mm
Minimize thickness	0.3-3.5mm
pneumatic pcb depanelizer machine Machine Weight	90Kg
