

HTFZ-III Arrester Discharge Counter Detector

I. Introduction

Applies to test if the discharge counter normally work

II. Features

1. With rechargeable battery, applies to DC and AC
2. Small in volume, light in weight.

III. Parameters

Output impulse current waveform	8/20 μ s
Current amplitude	> 100A
Dimension	375*270*155mm ³
Weight	6.12kg
